

SINKS

SINKS

The sink is a necessary piece of equipment of every kitchen, processing plant or shop backroom. Any layout of the washbasin, drawers and lockers enables easy integration into the layout of other furniture in the room.

Product description:

- made of stainless steel AISI 304
 - stable, welded construction
 - grinded surface
 - one or multiple compartments versions available
-
- drainer on the left or on the right side
 - legs with adjustable feet
 - raised back
 - the possibility of implementing a version with an additional lower shelf, grid or a locker.

It is possible to produce a non-standard dimensions sink at the customer's request.

All our furniture made of stainless steel is a fusion welded, pressure welded or bolted structure, depending on design requirements of a given product
